Please amend the application as follows and consider the following remarks.

IN THE SPECIFICATION:

Add the following new paragraph to page 15, before the existing first line of page 15:

The computer system of Figure 3 includes processor 1, input device 3 coupled to processor 1, and display device 5 coupled to processor 1. Processor 1 is programmed to implement the inventive method in response to instructions and data entered by user manipulation of input device 3. Computer readable optical disk 7 of Fig. 4 has computer code stored thereon. This code is suitable for programming processor 1 to implement an embodiment of the inventive method.
